A: The student can still drive through the parade at any given time, but unfortunately the parade will be themed for the school that was assigned that timeslot.

Q: Do students need to book an appointment to participate?

A: No. In order to make this as simple as possible, students can come at any time during their school's reserved period.

A: Our customer service representatives will be here to assist any customers. All the customer has to do is wrap around the building and enter our store through the main entrance.

A: Yes, each student will have the opportunity to exit their vehicle to be photographed in front of one of our big rings.
