ROTARY INTERNATIONAL®

About Rotary

Rotary International is a worldwide service organization for business and professional people, with more than 1.2 million members in over 32,000 Rotary clubs.

About Interact

Interact is a service club for youth ages 14-18. Clubs benefit from sponsorship by individual Rotary clubs, which provide support and guidance.

Interact has a membership of over 250,000 youth in more than 11,000 clubs worldwide. It's one of Rotary's fastest growing programs.

Interact clubs are self-governing and self-supporting and can be either school or community based.

Interact's name is a combination of the words *international* and *action*. With clubs in over 120 countries and geographical areas, Interact is truly an international phenomenon.

Interact's global youth network is dedicated to community and international service. Every Interact club project, great or small, has a lasting impact on society worldwide.

Brazil, India, the Philippines, and the United States boast the highest number of Interact clubs.

Isn't it time for you to

- Reach out to a community in need?
- Work with youth in another country to develop a service project?
- Learn about the customs and culture of a faraway place?
- Serve your local community?

This is the 2007 edition of the *Interact Handbook*. The information in this publication is based on the Constitution and Bylaws of Rotary International and the Rotary Code of Policies. Please refer to those documents for exact RI policy. Changes to the documents listed above by the RI Board of Directors override policy as stated in this publication.

Statement of Conduct for Working with Youth

Rotary International strives to create and maintain a safe environment for all youth who participate in Rotary activities. To the best of their ability, Rotarians, Rotarians' spouses and partners, and other volunteers must safeguard the children and young people they come into contact with and protect them from physical, sexual, and emotional abuse.

The *Interact Handbook* is designed to help Rotarians, faculty advisers, and young people establish and operate an Interact club. You'll find information on

- How to start and organize an effective Interact club
- How Interactors can identify service projects and conduct fundraising activities to support their projects
- How Rotarians can stay connected to Interact clubs
- Resources available to Interact clubs

WHERE IT ALL BEGAN

Since its earliest days, Rotary has been committed to helping children in need. But in 1960, the organization took a new approach to youth service. Recognizing the untapped potential of young men and women, RI President Harold T. Thomas urged Rotary clubs around the world to find ways to encourage service among youth, foster their active interest in the community, and offer opportunities for them to develop as leaders.

Two years later, 23 students at Melbourne High School in Melbourne, Florida, USA, came together to form the first Interact club. Now, Rotarians were not just helping youth but empowering them to serve locally and internationally with their Rotary club sponsors.

Ever since, thousands of communities around the world have benefited from the service of Interact clubs. Interactors have discovered a program that offers fun, meaningful service activities while providing a chance to develop leadership skills and meet new friends. In turn, sponsor Rotary clubs have gained increased support for projects and fresh ideas for service while helping to develop future Rotarians.

1 STARTING AN INTERACT CLUB

This chapter is primarily intended for Rotarians looking to start an Interact club.

Interact clubs are self-supporting and self-governing, and they receive guidance from a local sponsor Rotary club. Before sponsoring an Interact club, Rotary clubs should research the program. By reviewing this handbook and speaking with Rotarians and Interactors involved with the program, Rotary clubs can get a firsthand perspective on Interact and its benefits.

The following steps will help ensure that new clubs are established on a solid foundation and properly chartered by Rotary International. Rotarians, young people, and faculty advisers are encouraged to refer to this checklist throughout the organization process.

SIX STEPS TO A SUCCESSFUL CLUB

Step 1: Establish Rotary club support.

If your Rotary club is interested in sponsoring an Interact club, it should form an Interact subcommittee to study the requirements of sponsorship. Be sure to talk with the district Interact chair, who can provide information about how other Interact clubs operate in your district.

Once it has compiled all the necessary information for sponsorship, the subcommittee should present its findings to the Rotary club. Here are some tips for making a persuasive presentation:

- Highlight the rewards of sponsoring service-minded young people.
- Emphasize the importance of Rotarian involvement and support to an Interact club's success.
- Invite current Interactors to share their positive Interact experiences.

After the Rotary club board approves the sponsorship of an Interact club, the club must decide whether its Interact club will be community or school based.

- A community-based club draws its members from several schools from the Rotary club's area. The Rotarian adviser must attend all of the Interact club's meetings.
- A school-based club draws its members from one school, and the Rotarian adviser is required to attend only the club's board meetings.

GOOD TO KNOW When a Rotary club decides to sponsor a school-based Interact club, a member of the Interact subcommittee should meet with school officials to explain the program and its advantages. Rotarians and school officials should work together to determine membership requirements, club policies, the time and location of Interact club meetings, and the faculty adviser.

Joint Sponsorship of an Interact Club

An Interact club can be organized and sponsored by more than one Rotary club if all the following conditions are met:

- The district governor approves the arrangement in writing.
- Sponsor clubs demonstrate that organizing separate Interact clubs, each sponsored by a single Rotary club, would divide what is essentially a single body of young people within a school or community.
- A joint Interact committee is formed with members from each of the sponsor Rotary clubs.

Step 2: Identify potential Interactors.

Brainstorm to develop as wide a membership pool as possible. In a school-based club, ask the faculty adviser to offer suggestions for possible club members. Sources of potential Interactors include:

- Community centers, churches, athletic clubs and teams, secondary schools
- Sons, daughters, and other young family members of Rotarians in the area
- Rotary Youth Exchange students and attendees at Rotary Youth Leadership Awards (RYLA) events

Step 3: Invite prospective members to an informational meeting.

In addition to prospective Interactors, you'll want to invite these people:

- Interact subcommittee members
- Rotary club president
- District Interact chair
- Faculty adviser (for a school-based club)
- Interactors from nearby clubs who can share their experiences and answer questions

At the meeting:

- Give students a general idea of Interact's history, as well as Rotary's history and commitment to young people.
- Distribute copies of *Rotary Basics* (595-EN) and show a segment from a recent issue of *RVM: The Rotarian Video Magazine*.
- Explain the policies and goals of Interact, including a description of some recent Interact service projects. (Some examples can be found on the back cover of this handbook.)
- Highlight the program's internationality, including the potential to partner with youth in other parts of the world.
- Have copies of the *Interact Brochure* (600-EN) available for prospective Interactors to give to friends who might be interested in joining.
- Allow plenty of time for prospective Interactors to ask questions. Solicit ideas for club projects from these future members.

At the end of the meeting:

- Take a vote to confirm that there's enough interest to establish an Interact club. Keep in mind that a minimum of 15 charter members is recommended but not mandated.
- Set a date for the first organizational meeting.

Step 4: Hold organizational meetings.

Now that you've identified a group of prospective Interactors, it's time to get the club organized. Keep enthusiasm high by encouraging the Interact club to schedule organizational meetings no more than two weeks apart. Have the Rotarian adviser and, if the club is school based, the faculty adviser, keep a list of everyone who attends these meetings, along with their phone numbers and e-mail addresses. Encourage attendees to invite friends to meetings.

Although there's no specific number of organizational meetings required before a club can be chartered, you'll need to ensure that the Interactors complete the following tasks before applying for a club charter:

- Hold elections for president, vice president, secretary, treasurer, and other members of the Interact club board.
- Develop a membership plan to ensure the club includes a balanced number of male and female members, as well as students from each grade level or age group.
- Discuss and establish annual club dues.
- Determine where and when club meetings will be held. Clubs must meet at least twice a month.
- Begin planning for service activities, fundraising events, and the inaugural ceremony.
- Familiarize club members with the constitutional documents.

GOOD TO KNOW Before a prospective club can be chartered, it must adopt the Standard Interact Club Constitution and all its amendments, then adopt bylaws consistent with the constitution and policy established by Rotary International (see chapter 5). These bylaws are subject to the approval of the sponsor Rotary club.

Step 5: Complete paperwork.

Once a prospective Interact club has achieved a strong membership base, the club can be chartered by RI. The sponsor Rotary club should work with Interactors to finish the following tasks:

- Complete the Interact Club Certification Form (see chapter 5), listing all charter members who have agreed to attend a minimum of 60 percent of the club's service and social activities.
- Obtain the signatures of the sponsor Rotary club president and the district governor on the form.
- Send the form to RI World Headquarters or the appropriate international office (see the inside back cover for addresses).

Once the Interact club has been chartered, which typically takes about two to four weeks, the sponsor Rotary club will receive the club's Certificate of Organization from RI.

Step 6: Plan an inaugural ceremony.

The chartering of an Interact club is a meaningful and exciting event. The sponsor Rotary club may wish to host an inaugural ceremony where sponsoring Rotarians can welcome Interactors as partners in Rotary service. Invite Rotary district leaders, such as the governor, Interact chair, and Interact representative, to this celebration to introduce the new Interact club to the district.

Every inaugural ceremony is unique, but modeling it after the sponsor Rotary club's traditions is a good way to begin. Here are some other ways to put together a memorable ceremony:

- Create an inauguration ceremony program book that lists club members' names.
- Briefly explain Rotary and The Four-Way Test.
- Describe how the new Interactors are now part of the family of Rotary.
- Review the history of Interact and how the new club was formed. (Consider including a humorous story or anecdote.)
- Induct members individually, and announce board members and officers.
- Include school- or community-related themes, mottoes, and traditions.
- Present each member with an Interact pin.
- Take photos to commemorate the event.

2 OPERATING YOUR INTERACT CLUB

This chapter is primarily intended for Interact club officers.

Now that your club is official, begin pursuing the projects and activities that inspired you to become an Interactor. Your club's government can help you accomplish these goals. Their roles and responsibilities are described below.

THE BOARD

The governing body of an Interact club is its board of directors. The board consists of the president, vice president, secretary, treasurer, and any additional officers, depending on the size of the club. The board is required to meet at least once a month and report any action taken at the next Interact club meeting.

During its meetings, the board reviews and approves the club's plans and projects. The Rotarian and faculty advisers must attend all board meetings. Club members may also attend these meetings as observers.

The Interact club's board of directors should be familiar with the Interact constitutional documents. In addition, incoming Interact club officers must participate in leadership training. Learn more about district leadership training in chapter 3.

Board members should think of project ideas, encourage club members to participate, and delegate responsibilities. At the end of the year, the board prepares a final report that describes the major actions taken over the past year. It should keep the original on file and send a copy to the sponsor Rotary club.

President

The president's primary role is to lead the club, making sure it functions effectively. Responsibilities before taking office include:

- Study the Interact constitutional documents.
- Meet with the board of directors to plan club activities.
- Appoint all standing and special committees with board approval, and serve as an ex officio member of all committees.
- Appoint committee chairs based on their experience, and talk with them about their choices for committee members.

Additional responsibilities for established Interact clubs:

- Meet with the outgoing president and board of directors to review the club's records and discuss its current activities.
- Decide which of the existing committees should be kept for the upcoming year, and consider ideas for new committees.

Responsibilities in office include:

- Conduct effective meetings by preparing a detailed agenda that outlines what will be covered and for how long, allowing enough time for reports from officers and committee members.
- Plan creative programs for club meetings well in advance, and arrange for speakers, panel discussions, trips, and entertainment that appeal to a wide range of interests.
- Delegate responsibility to help other members develop their leadership skills and to avoid getting overwhelmed with details.
- Identify members' skills and interests, and harness them in club projects.
- Work to ensure that the club's activities and service projects are successfully promoted and carried out.

- Pay attention to membership growth and development, and maintain a balance among age and gender groups.
- Communicate and collaborate actively with the Rotarian or faculty adviser and the district Interact chair.

Vice President

The vice president's primary role is to support the president. Some clubs may choose to have the incoming president serve as vice president before taking office. The vice presidency is not an automatic stepping stone to the presidency, but it provides excellent training for a future club leader. Responsibilities include:

- Preside over meetings when the president is absent.
- Serve as a member of the board of directors.
- Work with the president to handle special assignments.
- Stay up-to-date on all the club's goals and ongoing activities.

Secretary

The secretary's primary responsibility is to help the club function effectively. Responsibilities include:

- Maintain all club records, such as:
 - Membership
 - Committee appointment worksheets
 - Attendance
 - Dues payments
 - All important club papers, including the club's Certificate of Organization, budget documents, and reports
- Take minutes — a clear, concise written record of what was said at a meeting and any actions taken — at all club meetings. Minutes shouldn't detail every word that was said or how the decisions were reached but should cover these points:
 - Type of meeting (board, club, or committee meeting)
 - Date, time, and place
 - Presiding officer
 - Attendance
 - Approval and correction of last meeting's minutes
 - Treasurer's statement
 - Summary of reports from officers and committees
 - Summary of agenda (including old and new business) and actions taken
 - Announcements
 - Adjournment

The secretary can also be responsible for notifying RI of successful projects by submitting the Interact Project Data Form (see chapter 5) and for annually updating the club's officer and contact information with RI.

Treasurer

The treasurer works with the secretary to maintain accurate financial records. This officer should be a responsible, detail-oriented person. Responsibilities include:

- Collect membership dues.
- Deposit dues and all proceeds from fundraising projects.
- Handle most of the work of preparing and administering the budget.
- Prepare a monthly report that accurately details:
 - Money on hand at the beginning and end of the month
 - Income, with its source (such as membership dues or fundraising) clearly indicated
 - Payments, indicating for what and to whom
- Prepare an end-of-year report summing up the impact of the past year's activities on the budget.

The outgoing treasurer should give the end-of-year report to club members and the incoming treasurer. All the treasurer's reports form part of the club's permanent record.

Keep RI in the Know

Don't miss important Rotary communications!

Update your club contact information annually with RI. Submit the Incoming Interact Officer Data Form (see chapter 5) by mail or fax, or complete the club contact update form at www.rotary.org.

Officer Installation

Hold installation ceremonies annually to introduce new officers and to recognize past officers for their dedicated work. It can be a serious occasion or a celebration. Consider recognizing all club members at this ceremony with a certificate of recognition.

Invite the incoming president and officers of the sponsor Rotary club to this event so that they can get acquainted with the new Interact club officers.

Other Officers

The club may decide to include additional officers on the board. Your sponsor Rotary club must approve any additions.

CLUB COMMITTEES

Committees help your club carry out activities and projects. The club president appoints four standing committees — club, finance, service, and international understanding — as prescribed by the Standard Interact Club Constitution. Additional committees may be appointed as needed.

Committees should meet at least once a month to discuss plans and activities and share them with the president. Try to keep these meetings short and to the point. And remember: All committee activities and expenses are subject to the board's approval.

Committee chair responsibilities include:

- Assign every committee member a job to do, and keep track of these assignments.
- Make sure all committee members are familiar with the club's constitutional documents, organization, and goals.
- Establish a schedule of committee meetings for the year.
- Notify committee members in writing of a meeting, giving the date, time, place, and subject of the meeting. (For example, E-mail, text messaging.)
- Prepare agendas for meetings, and try to follow them.
- Contact members scheduled to make reports at meetings, and ask if they need any help preparing their reports.
- Ask members for their opinions.
- Keep accurate records, but avoid unnecessary paperwork.

Club Committee

The club committee develops ideas for club meeting programs, ways to recruit new members and keep current members, and methods for publicizing the club's activities. To accomplish these tasks, the committee may want to divide into subcommittees.

The committee also maintains a historical record of the club, such as a scrapbook, that includes pictures and descriptions of the club's activities.

Finance Committee

The finance committee decides how the club will fund its activities, always with a goal of keeping dues low and maintaining the club's ability to support itself. The committee

finds ways to obtain donations for projects and activities, both in-kind and monetary, from businesses and organizations by offering something of value in return, such as services or recognition.

Service Committee

The service committee organizes one project each year that benefits either the school or the community.

International Understanding Committee

The international understanding committee undertakes one project each year that promotes international goodwill.

RUNNING A SUCCESSFUL CLUB

Interact clubs must meet at least twice a month. To encourage good attendance, select a time and location that's convenient for club members. (School-based clubs usually meet at the school.)

Lead Club Meetings

Remember, Interact meetings should be fun and productive. Some clubs incorporate team-building activities, icebreakers, or brainstorming sessions during their meetings to keep club members involved while building trust and friendships.

Whatever you do, stick to your agenda. It will help keep the meeting moving forward and ensure all topics are covered. Here's a typical meeting format:

1. Allow time before the meeting for members and guests to talk among themselves.
2. Begin the meeting with the president introducing guests and making announcements and reminders.
3. Introduce new club members.
4. Have the secretary, treasurer, and committee chairs make any relevant reports.
5. Present the program.
6. Close with a thank-you to the program speaker and other program participants.
7. Adjourn the meeting.

Keep Club Membership Strong

Your ability to hold on to current club members and bring in new ones is key to your club's success. Keep members coming back by involving them in club activities and encouraging them to take on club leadership roles. Help your club grow by bringing in members who have special interests and abilities and are enthusiastic about the social and service aspects of Interact.

Consider these suggestions for maintaining a strong, committed membership:

Set goals. Set membership goals and encourage all club members to work to meet them. For example, challenge members to bring in one new Interactor each year, and offer

an award or prize to the member who recruits the most new members.

Keep current members. Keeping active club members is just as important as gaining new ones. With a large number of enthusiastic, dedicated Interactors, your club will be better able to carry out successful service projects and attract new members.

Strategies for Involving New Members

- Hold a special meeting or event to welcome and celebrate new club members.
- Explain the opportunities and benefits that come with Interact membership. Members who understand Interact and its purpose are more likely to remain active in the club.
- Ask experienced Interactors to "adopt" new members and make them feel welcome.

Strategies for Involving Established Members

- Assign committee responsibilities to veteran members to let them know they're important to the club.
- Recognize club members who dedicate extra time to service projects.
- Maintain a good age and gender balance. Different points of view make for interesting meetings and contribute to a richer Interact experience for everyone.
- Get feedback from members on the types of meetings, activities, and projects they enjoy, and plan accordingly.
- Plan social events to bring members closer together.
- Monitor attendance to ensure everyone comes to at least 60 percent of the club's meetings. Members with high attendance are the most likely to stay involved.
- Keep members informed through a club newsletter, distributed either in print or electronically. Mention service projects and fundraising efforts, news from Rotary International, Interact club leadership reports, a brief summary of club meetings, and sponsor Rotary club activities that may interest Interactors. Include the name and address of the Interact club, its meeting time and place, the name of the sponsor Rotary club, and the Rotary district number in your newsletter.

Bring in new members. The first step to bringing in new members is to let them know that the club exists. Use the suggestions below to promote your Interact club and its service projects.

- Organize a special event. Make sure to do these things:
 - Explain the purpose of Interact and show slides or photographs of your club's activities.
 - Display the *Interact Poster* (639-MU) and hand out the *Interact Brochure* (600-EN).
 - Emphasize the club's service efforts and successes, the internationality of Interact, and the opportunity for members to take on leadership roles while having fun and making new friends.

- Publicize your club's activities in the school newspaper and local media. For more information, see "Publicize Club Activities" on page 12.
- Invite potential members to participate in a service project or attend a club meeting so that they see Interact in action.
- Develop a club Web site where potential members can learn about Interact club projects and find out how to join. Ask your school to include a link to your club's site on its Web site. For more information on creating a club Web site, including Rotary guidelines, see page 35.
- Arrange for Interact displays at local libraries, coffee shops, community centers, or anywhere else youth gather. Display the *Interact Poster* (639-MU), along with photos of your club in action. Provide information about Interact and how interested teenagers can join their local club.

Rotary Club Advice

Be sure to ask your sponsor Rotary club for advice and resources to help your club retain and recruit members. A number of membership development tools are available to Rotarians through RI.

GOOD TO KNOW Rotarians can access these materials at www.rotary.org or by contacting the Membership Development Division at membershipquestions@rotary.org or their international office.

Plan Service Projects

Interact clubs must carry out two service projects each year: one that helps the school or community and one that promotes international understanding. These projects are a great way for Interact clubs to get involved in the community, connect with youth around the world, and attract new members.

Because service projects can cover a wide range of issues, it helps to focus your efforts early on. Keep in mind any service goals set by your club and its sponsor Rotary club. Gain support for club projects by choosing service activities that address real needs in the local or international community. Before your club decides on a project, ask the following questions:

- What services are needed in your school or in the local or international community?
- Which local or international organizations could use your Interact club's assistance?
- Can you collaborate with your sponsor Rotary club or a local Rotaract club on its service efforts? Can you collaborate with another local Interact club or a club that's in another country?
- What types of service projects fit within your club's budget?

With a little imagination and hard work, the possibilities are limitless. Though clubs are welcome to select their own projects, consider choosing projects that coincide with the calendar of Rotary observances (see page 11) or that relate to the Menu of Service Opportunities.

Some of the most rewarding projects are those conducted with Interact clubs in other countries. Establish ongoing correspondence with a club before planning an exchange or visit by sending photos, conducting meetings over the phone, or exchanging e-mails or letters. See "Resources for Planning Service Projects" below for tips on contacting a club in another country.

Resources for Planning Service Projects

- **Interact Correspondence Exchange List.** This list, updated every September, includes contact information for Interact clubs worldwide that are interested in collaborating, corresponding, or exchanging ideas with other clubs. To receive a copy, e-mail or mail your club's name and mailing address to RI World Headquarters.
- **Communities in Action/Menu of Service Opportunities Kit.** This resource includes techniques commonly used by volunteers and community development experts around the world. It also highlights nine suggested service areas for Rotary clubs and provides examples of successful club projects for each. Adapt these methods to the unique needs in your community.
- **ProjectLINK.** Rotary clubs seeking international assistance use this online "help-wanted" database to publicize their community service initiatives. One Interact club project may be posted for each sponsor Rotary club. This registry at www.rotary.org is updated twice a year. Interact clubs may also use the database as inspiration for their own projects.
- **District Interact chair.** This Rotarian, who oversees Interact clubs throughout the district, knows the program well and can offer guidance and ideas. Ask your sponsor Rotary club for contact information.
- **Interact club Web sites.** Correspond with fellow Interactors and learn about their projects and activities. To find these sites, search "Interact club" online or check RI's list of registered Interact club sites at www.rotary.org.

ROTARY CALENDAR OF OBSERVANCES

Interact clubs might consider planning projects or activities to coincide with the following Rotary observances:

July

The Rotary year begins on 1 July.

August (Membership and Extension Month)

Develop a membership strategy for the year, and set this plan into motion.

September (New Generations Month)

Celebrate Rotary's commitment to youth by performing a joint project with your sponsor Rotary club.

October (Vocational Service Month)

Invite Rotarians to speak with Interactors about their professions or to discuss ethics in the workplace.

November (Rotary Foundation Month)

Support polio eradication efforts by organizing a service project or awareness campaign.

Celebrate World Interact Week.

December (Family Month)

Involve your siblings, parents, or other family members in a service project.

January (Rotary Awareness Month)

Publicize successful service projects and promote upcoming activities in your community.

RI Theme

Each year, the RI president introduces a theme to focus the service efforts of all Rotarians. Through the RI theme, the president invites Interact clubs to take part in Rotary's global effort to build world understanding and peace. Interact clubs and their sponsor Rotary clubs are encouraged to plan projects with the theme in mind.

February (World Understanding Month)

Reach across borders and cultures to organize a project that promotes peace and understanding. Celebrate Rotary's anniversary on 23 February, designated as World Understanding and Peace Day.

March (Literacy Month)

Organize a book drive or another activity that promotes literacy or addresses education issues in your community or abroad.

April (Magazine Month)

Check out Rotary's online publication *Interactive* at www.rotary.org/interactive.

May

No Rotary designation

June (Rotary Fellowships Month)

Attend the RI Convention (sometimes held in May).

The Rotary year ends on 30 June.

World Interact Week

During World Interact Week, Interactors and Rotarians around the world commemorate the chartering of the first Interact club. The celebration, which takes place during the week of 5 November, is an ideal time for Interact clubs and their Rotary club sponsors to carry out joint activities and promote the positive effect Interact clubs have on their communities.

While you're planning your celebration, why not include the activities listed on the World Interact Week recognition form at www.rotary.org? Clubs that complete the activities and submit the form as instructed will receive special recognition from RI.

Publicize Club Activities

Your club and its projects will receive more support if the community knows about them. A good image in the community can also help your club recruit new members, and it contributes to an accurate, positive impression of Interact and Rotary.

Here are some ways to ensure your good works receive the attention they deserve:

- Appoint a public relations contact who will contact the media. The public relations committee of the sponsor Rotary club should be able to provide a list of local media contacts.
- Publicize club activities in school and local newspapers and in other media.
- Select a knowledgeable spokesperson who is an active club member and a good communicator to represent your club in the media.
- When selecting service projects, make sure they address real needs in the local or international community: These are the types of projects journalists find newsworthy. Provide reporters with background materials on your project and club, such as fact sheets or brochures.
- Photograph club events (see sidebar).

Conduct Fundraisers

Because Interact clubs are self-financed, keeping dues low is important, and fundraising is crucial to financing club service projects and other activities. Examples of successful Interact fundraisers include car washes, festivals, raffles, walkathons, rummage sales, fashion shows, and benefit performances.

When putting together a fundraiser, consider the following suggestions:

- Be creative! A unique or unusual fundraiser will attract the attention of potential club members, donors, and the media.
- Have a realistic idea of the financial support needed, and set attainable goals for the amount of money that can reasonably be raised. Remember, some projects may be expensive to conduct but will generate more than enough money to cover the costs.
- Remember when raising funds from individuals, businesses, or organizations to offer something of value in return, either a service or recognition.
- Take advantage of your club members' skills, talents, and contacts. For example, if club members can sing or act, consider putting on a talent show.
- Invite the media to attend. See "Publicize Club Activities" above for information on other ways to publicize your project.

A Picture's Worth a Thousand Words

Make sure your images tell a story by showing people actively involved in a project or event — no posed group shots, please. Not only are these photos more interesting, they're also more likely to get published. And, of course, make sure someone is taking pictures at all club events.

Consider submitting photos and project information to

- interact@rotary.org
- District Interact chair, for use in the district Interact newsletter
- District governor, for inclusion in the governor's monthly letter to Rotary clubs in the district
- Rotary International, for possible publication in *Rotary International Interactive*, *The Rotarian*, or *Rotary World* or on the RI Web site

When sending project data and photos to Rotary International, high-resolution digital images are encouraged, but all photos are welcome. Please provide the following information for each photo:

- Date the picture was taken
- Photographer's name, address, phone number, and club
- Names of the people in the photo
- Description of the pictured event or activity
- Written permission for RI to use the photo in its publications or Web site

- Consult the sponsor Rotary club or other Interact clubs for suggestions. A fundraiser that was carried out in a different school or country might be just as successful in your school or community.

For more information on creating a fundraising plan, review the *Communities in Action/Menu of Service Opportunities Kit* (605-EN), available at www.rotary.org.

3 HOW ROTARY SUPPORTS INTERACT

This chapter is intended for Interact club officers, sponsor Rotary clubs, and faculty advisers.

SPONSOR ROTARY CLUB

The support and guidance of the sponsor Rotary club are important to an Interact club's success. Rotary clubs are encouraged to create a lasting bond with Interact clubs in these ways:

- Invite Interactors to Rotary club meetings to report on their activities.
- Create an annual joint Rotary and Interact service project and participate in World Interact Week.
- Show Interactors how to produce a club newsletter and Web site.
- Help Interact clubs develop strategies for recruiting and retaining members.
- Establish a recognition program to acknowledge Interactors' achievements.
- Publicize Interactors' accomplishments to the community and the Rotary world.
- Inform Interactors of other Rotary International or Rotary Foundation programs available to them.
- Ask Interact club officers to meet with the district governor during the governor's official Rotary club visit.
- Invite Interactors to district conferences to showcase club activities and to network with Rotarians.

Annual Meeting

At the beginning of the school or Rotary year, the sponsor Rotary club's Interact subcommittee should host an annual meeting for all Interact club members, the Rotary club president, and all interested members of the Rotary club. Together, Rotarians and Interactors should establish service goals for the year.

During the meeting, the following topics should also be addressed:

- Preparing meeting agendas
- Interact club procedures
- Projects completed during the previous year
- Ongoing projects
- Encouraging good attendance at club meetings
- Membership development strategies
- Publicizing service projects

Liability and Risk Management

Any risk-management plan should be coordinated with the school administration in a school-based club. The Rotary club's Interact subcommittee is advised to assess Interact-related liability issues and seek appropriate insurance. Interact clubs in the United States are covered under Rotary's general liability insurance program. Interact clubs outside the United States have no Rotary International insurance requirements. Insurance-related inquiries may be sent to rotary@lockton.com.

Rotarian Adviser

The Rotarian adviser plays a major role in a Rotary club's support of its Interact club. To stay informed of the club's activities, the Rotarian adviser attends the board meetings of school-based clubs and all meetings, including board meetings, of community-based clubs.

Other responsibilities

- Provide counsel to Interactors as they plan service projects or fundraising activities.
- Act as a liaison between the Rotary club and the Interactors and between the Rotary club and the faculty adviser for school-based clubs.

- Oversee the Interact club's elections each year, and report the names and addresses of new officers to the district Interact committee.
- Introduce Interactors to other opportunities available to youth through Rotary, such as RYLA and Youth Exchange.
- Stay in touch with graduating Interactors, and help them stay involved with Rotary through Rotaract clubs and, later, Rotary Foundation Educational Programs.

Rotary International is committed to protecting the world's youth. Rotarians and faculty advisers must work together to ensure the welfare and safety of Interact club members to the greatest possible extent.

Rotary districts are encouraged to develop a youth-protection policy for all youth programs, including Interact. To learn how districts can develop an abuse and harassment prevention program, all district leaders involved with Interact should review the *Abuse and Harassment Prevention Training Manual and Leaders' Guide (775-EN)*, available at www.rotary.org.

FACULTY ADVISER

The faculty adviser, who is a faculty member at an Interact club's school, oversees the activities of the school-based Interact club and acts as a liaison between the Rotary club and school administration. Patience, organizational skills, and a desire to work with young people are essential qualities of effective faculty advisers.

Suggested areas of responsibility for a faculty adviser include:

Meetings

- Attend all club meetings, and ensure they run smoothly.
- Assist with campaigns and elections of Interact officers.
- Work with the Rotarian adviser to coordinate a leadership training workshop for new officers if they are unable to attend leadership training at the district level.

Activities

- Offer advice for implementing service projects, especially for in-school activities.
- Maintain a calendar of Interact events to avoid conflicts with other school activities.
- Attend all Interact activities that occur outside of school hours or help arrange chaperones.
- Facilitate equipment needs and logistics at project sites.

Ongoing support

- Help maintain accurate club records and documentation, and monitor the flow of club funds.
- Verify that Interact committees meet their requirements and deadlines.
- Oversee the editing, publication, distribution, and announcement of Interact newsletters.
- Encourage Interactors to resolve disagreements on their own, but arbitrate when necessary.
- Guide efforts to recruit members.
- Work on Interact promotion with the school newspaper staff and local media.
- Encourage Interactors to participate in youth-leadership seminars and any other Rotary-sponsored opportunities for youth.

School administration

- Verify that members meet their local school's extracurricular and academic requirements.
- Approve all Interact-related announcements and communications.
- Act as a liaison between the sponsor Rotary club and the school principal, faculty, and staff.
- Elicit support from colleagues and parents.

Faculty advisers are encouraged to review the *Interact Faculty Adviser Guide*, an online-only publication designed to assist them in their role. The guide is available for download at www.rotary.org.

ROTARY DISTRICT

District Governor

Each of the more than 500 Rotary districts worldwide is led by a district governor, an elected Rotarian who serves as an officer of Rotary International and represents RI in the field. To support the organization and development of Interact clubs, the governor appoints the district Interact chair.

District Interact Chair and Committee

The district Interact chair administers the Interact program and assists Rotary clubs that sponsor Interact clubs. Each Rotary year, the district Interact chair receives materials from Rotary International to help strengthen the Interact program.

District Interact chairs help Rotary International maintain an accurate record of Interact clubs. They are encouraged to reconcile their district's list of Interact clubs with the RI database. To ensure that every Interact club has access to Rotary resources, district chairs should encourage all Interact clubs to update their contact information with RI annually by submitting the Incoming Interact Officer Data Form (see chapter 5) or using the Interact Club Contact Update Form at www.rotary.org.

The district Interact committee, which is composed of Rotarians, sponsors Interact district meetings and provides leadership training for Interact club officers and faculty advisers. The committee also helps the district Interact chair publicize Interact throughout the district and promote the organization of new Interact clubs.

Suggestions for District Interact Chairs

- Establish a district Interact newsletter for Interactors, Rotarians, and faculty advisers involved with the program. Use this tool to share program news, highlight successful projects, announce upcoming service opportunities, or publicize Interact events.
- Encourage the Rotary clubs in your district to recognize outstanding Interact projects or establish a district-level award or recognition.
- Create a district directory of Interact clubs, and encourage clubs to exchange ideas or plan joint projects with other clubs in the district.
- Contact other district Interact chairs to seek guidance or exchange ideas.

District Interact Representative

Districts with five or more Interact clubs may want to form an Interact district organization. A district Interact representative may be elected from among the membership of all Interact clubs within the district to serve as a liaison with the district Interact committee. District Interact representatives help the committee plan district-level meetings and preside at these meetings whenever possible. They also encourage clubs to broaden their service programs and help involve Interactors in Rotary projects in their districts.

District and Multidistrict Meetings

A district Interact meeting gives Interactors throughout the district a chance to exchange information and ideas, evaluate completed projects, plan new projects, and strengthen the spirit of teamwork and friendship.

The district Interact representative should assist the Interact committee in planning a district Interact event. Although there are no set content guidelines, the meeting should be informative and fun, and it should encourage friendships in the district. Every Interactor in the district should be invited to participate.

District meetings are funded by the Interact clubs, so costs should be kept to a minimum.

Multidistrict meetings, especially those that involve Interact club members from more than one country, are recommended whenever feasible. These meetings are held under the guidance of the district governor and the district Interact committee and must be approved by the RI Board of Directors.

District Leadership Training

District leadership training should take place after every Interact club in the district has elected its officers for the coming year, but no later than one month before they take office. Leadership training, which is administered by the district Interact committee (in consultation with the district trainer), prepares the following people for their leadership roles in Interact:

- Interact club officers
- Interact club committee chairs
- District Interact representatives
- Rotarian and faculty advisers

All general sessions of the training workshop should be led by the district Interact representative, if one is appointed, with assistance from the district Interact chair. If a representative hasn't been appointed, the district Interact committee will lead the general sessions. Group sessions, however, should be led by experienced Interactors. A Rotarian should be assigned to each group session to serve as a resource person and provide information and advice when asked, without lecturing or leading the group.

A sample agenda for an Interact leadership training workshop is available for download at www.rotary.org. Workshop leaders should modify this document as needed to meet specific district goals.

ROTARY INTERNATIONAL

The guiding policies for the Interact program are determined by the RI Board of Directors. The Board is composed of 17 past district governors from around the world, the RI president, and the RI president-elect, all of whom are elected by Rotary clubs. Interact policies may be amended only by the Board of Directors.

In addition to setting Interact policy, Rotary International provides support to Interact clubs in the form of staff resources, program mailings, and the maintenance of a central Interact club database. The RI staff is committed to providing excellent service in supporting the Interact program worldwide. When contacting Interact staff, use the RI World Headquarters address, phone, and fax number (provided on the inside back cover), and e-mail interact@rotary.org.

Regular communications are sent from RI World Headquarters to provide Interact program updates, information on new publications, and announcements about special activities to all district Interact chairs, Interact clubs, and sponsor Rotary clubs. Clubs can make sure they receive these materials by keeping their contact information up-to-date.

Policies governing the Interact program are compiled in the Standard Interact Club Constitution, the Standard Interact Club Bylaws (see chapter 5), and the Statement of Policy Relating to Interact (which can be found at www.rotary.org). Please check the RI Web site (www.rotary.org) or with RI staff at interact@rotary.org about the latest policies.

GOOD TO KNOW Interact clubs may amend the Standard Interact Club Bylaws as long as the changes are in harmony with the Standard Interact Club Constitution.

RI Convention

Interactors are invited and encouraged to participate in the annual RI Convention. Interactors can take part in special forums, workshops, project exhibitions, and plenary sessions. The convention gives Interactors a broader understanding of Rotary, its internationality, and its service to the world, as well as a tangible sense of how Interact fits into the family of Rotary.

- Names of the people in the photo

Photos submitted to Rotary International cannot be returned.

INTERACT EMBLEM USAGE GUIDELINES

If your club is interested in buying or creating merchandise featuring the Interact emblem, you're encouraged to use vendors that have been licensed by Rotary International. Search for licensed suppliers at www.rotary.org.

The Interact emblem is a trademark owned by Rotary International. Clubs and districts are welcome to use it but must abide by the RI Board guidelines for using Rotary trademarks. Work with your sponsor Rotary club to ensure that you follow these guidelines. Also see the *RI Visual Identity Guide* (547-EN) for more about proper and improper uses of Rotary emblems and logos.

If you discover an unlicensed individual or firm selling emblem merchandise, please contact the international office for your area or RI's Licensing Section at rlicensing@rotary.org.

Technical Specifications

The Interact emblem is a circle with a vertical capital "I" superimposed over four interlocking rings in the centered depressed circular space. These elements are designed in accordance with the proportions given in the table below. With the "I" placed vertically, the word INTERACT is centered directly above it within the exterior ring, with a wall on each side. The word CLUB is centered directly beneath the "I" within the exterior ring, with a wall on each side. The words are raised from the depressed space. The outside edge is a perfectly round, raised wall to contain all the elements.

The official Interact colors are deep blue and gold (either metallic gold or yellow). All depressed spaces on the emblem are blue, and all raised lettering and detail are gold. Gold can be represented as a metallic color or as yellow.

INTERACT CLUB WEB SITE GUIDELINES

Interact clubs are encouraged to set up Web sites to stay connected with their sponsor Rotary clubs, other Interact clubs, and their community. Consider including links to the Web sites of your club's sponsor Rotary clubs, Rotary International, and school.

Creating Your Site

The content and design of an Interact club Web site should be under the direct supervision of the sponsor Rotary club president and must conform to current RI policies on using the Interact emblem and other Rotary trademarks and prohibiting circularization (unsolicited mailings). Your sponsor Rotary club can explain more and help you decipher the rules and regulations.

Choosing a Domain Name

If you want to use a domain name that includes the words Rotary or Interact, you must include the name of your Interact club or sponsor Rotary club.

In Canada, Interactors are reaching out to African teens who have been orphaned by AIDS and left to manage their households. Club members raised awareness and funds to provide education and leadership programs to help Africa's youth take on this new role.

In Romania, Interactors were moved to action after a tsunami devastated communities along the Indian Ocean. The club's fundraising efforts resulted in funding to construct homes for families in Thailand.

In Uganda, Interactors envisioned a community where all youth had access to education. Club members donated their time and much-needed school supplies to a local orphanage and helped prepare younger students for school exams.
